

JUNIOR DEVELOPMENT

After-School Program

Frayser Tennis Center & Raleigh Tennis Center

AUGUST 7-OCTOBER 31

MARCH 20-MAY 17

The After-School Tennis Program at Tennis Memphis offers tennis instruction and training for players of all levels, beginning at age 7.

Tennis Memphis works in partnership with Great Base Tennis to provide programming with a strong emphasis on the fundamentals of the sport of tennis. Our goal is to develop a strong technical and tactical foundation to grow your junior's game, along with providing a complete pathway for future development.

Tennis Memphis' Junior Development Program has 4 categories:

1.) Early Childhood Development, 2.) Skill Acquisition, 3.) Competitive Training and 4) Non-Traditional Scheduling. The documentation of player development is a critical part of the GBT system. All players, except complete beginners, must have a technical assessment to enter the program. Please see the attached form for more details. For more information about the ECD, CT, and NTS programs, please visit tennismemphis.org.

The After-School Program's primary focus is Skill Acquisition. Tennis Memphis's professional staff will provide fact-based instruction through the GBT curriculum to all students with an emphasis on long-term development. The additional component of peer teaching ensures that students maximize information retention. Students are also taught to maximize their tennis potential by establishing at-home practice routines (referred to as program "plus".)

The online component of our program can be found at greatbasetenis.com. The website contains a wealth of information, including comprehensive online courses, daily blog, and a video archive, which will help accelerate the growth of your child's game.

Financial assistance available.
