INCLEMENT WEATHER POLICY FOR CLASSES SCHEDULED OUTDOORS

Class will not be cancelled because rain is forecasted. Classes are cancelled only if the courts are wet and deemed unsafe when it is time for class.

Determination of whether the program is cancelled will be made by the Coach and in some situations will happen up to 2 hours before the program actually occurs if a change in weather forecast is expected. It is common for tennis courts to dry after 1.5 hours of sun/wind exposure, after being completely wet.

- Tennis Coaches have the right to cancel a class up to one hour before start time, based on their judgement of the weather forecast. All programs are deemed as 'on' unless cancelled by the Coach. When in doubt students should head to the courts.

MAKE UP POLICY FOR OUTDOOR CLASSES CANCELLED FOR RAIN OR INCLEMENT WEATHER

Classes cancelled for rain and/or inclement weather qualify for make up.

- Classes will be made up before the end of the session.
- If a student is unable to attend a scheduled makeup class, the make-up will be forfeited.
- As a general rule, classes will be rescheduled primarily on Fridays & Weekends based on available court time and coaches availability.
- If it rains in the first 1/2 of a class, the class will be rescheduled. If it rains after the halfway mark of the class, the class will not be rescheduled.
- TM will not issue refunds for classes which have been postponed due to inclement weather or other circumstances beyond our control. We will make make-up cancelled classes.

Notification of a cancelled class:

- Cancelled classes will be communicated via email or text.
- Students can call the Tennis Center.

COLD WEATHER - CLASSES SCHEDULED OUTDOORS

Cold exposure can be uncomfortable, impair performance and even become a serious health issue. A wet and windy 30-50 F degree exposure can be as serious as a sub-zero exposure.

- For this reason our cold weather guidelines use the wind chill factor instead of the ambient temperature.

- When the wind chill factor is less than 35° F there will be no practice. That equates to 49° F and winds of more than 12 mph.

HOT WEATHER - CLASSES SCHEDULED OUTDOORS

- No practice when temperature exceeds 98° F and/or heat index is 103° F or higher at time of class (Exception may be adjusted for competitive training).

JUNIOR PLAYER WALK-ON POLICY

- Junior players can walk on an open outdoor/indoor court with each other without a reservation at no charge. Juniors reserving a court will pay the regular court rate.
 - Junior players may hit or drill with a family member on an open outdoor or indoor court without a reservation at no charge. Juniors and family members reserving a court will pay a regular court rate.
 - Adults (non-family members) playing with a junior must pay half the court costs whether the court is open or reserved. Unless, playing outdoors and the adult has a Player Card there is no charge. For a reserved indoor or outdoor court, payment at the regular court rate is required.
 - If no money has been collected for the junior walk-on court, and at any time a customer reserves and pays for that court, the junior will be bumped from the court.
 - This applies to any junior and is not for just players enrolled in Tennis Memphis programming.
-

I/We acknowledge to have read, understood, and agree with all the terms in Tennis Memphis Junior Development (JD) Policy.
