

To our tennis community and players,

Tennis Memphis will adjust tennis center guidelines and player practices in accordance with the Shelby County Health Department's "Safer at Home" health order and directive No.16. **All changes are effective Dec. 26, 2020 through Jan. 22, 2021.** The well-being of our players, volunteers and staff is of utmost importance, and we are therefore restricting play and court availability as follows:

All Centers

- No clinics or programs will be offered.
- Private and semi-private lessons will continue to be offered by our teaching staff.

Bellevue Tennis Center

- One indoor court and two outdoor courts will be available for play.

Wolbrecht Tennis Center

- One indoor court and three outdoor courts will be available for play.

Eldon Roark Tennis Center

- Two indoor courts and four outdoor courts will be available for play.

Leftwich Tennis Center

- Two indoor courts will be available for play.

– The outdoor courts are currently under repair and are scheduled to be available for play soon.

Please review and continue to follow all of our [safety procedures](#) which can be found at tennismemphis.org. Adherence to these safety precautions is essential to promote the well-being of our community.

Those who have paid for Permanent Court Time will be contacted via email by Melinda Hoehn with details regarding refund or reschedule options. We will continue to monitor the situation and communicate any changes going forward.

We are grateful for your ongoing support of Tennis Memphis, and we wish good health and wellness for your family in this holiday season.
