

With Shelby County Schools wrapping for the year on Wednesday, students are officially off for the summer. Memories of popsicles, vacations and pool days often fill our heads when we reminisce about our own summer breaks. But for underresourced children in Memphis, options for fun, safe and healthy summer activities are limited.

Tennis Memphis Summer Camps provide affordable and fun options for families.

Tennis Memphis strives to provide more equitable access to tennis programming – a sport that is traditionally and inaccurately associated with wealth and status. Our summer programming is one of the best ways for Memphis students of all ages, backgrounds and skill levels to learn about the sport and stay active. Our pricing is affordable, and we provide financial aid to families receiving government assistance. We want any child who is interested to be able to attend our camps.

Tennis Memphis Summer Camps are accessible for parents.

We are one of the only summer camp options in the city that are easily accessible for most Memphians. With four sites across the city – Raleigh, Eldon Roark, Bellevue and Wolbrecht – parents can choose a center that is convenient for them. This is enormously helpful for families that are working diligently to balance work and child care schedules.

Tennis Memphis Summer Camps are more than just a place to spend summer days.

Our summer camp programming promotes physical wellness through tennis – which is proven to support youth health outcomes. We also support mental acuity through skill drill running and strategic gameplay. But most importantly, our team of talented coaches and mentors invest in each camper through specialized personal development lessons. It's our goal to support the holistic development of each camper: physically, mentally and emotionally.

Tennis Memphis Summer Camps need your help.

Summer camps through Tennis Memphis are made possible through the generosity of donors like you. This year, our families and campers need your support in the most urgent way. We are currently running a fundraiser on Facebook to drive donations for our programming. But we need your help.

To help provide the most opportunities to students across Memphis, will you donate to Tennis Memphis Summer Camp today?
