

Make a difference. Help us serve this Giving Tuesday.

Tennis Memphis offers way more than just tennis. We strive to build a better community and enhance lives through tennis, education and mentorship.

Our organization offers Memphis youth a pathway to success through NJTL-sponsored programs. While they build their tennis skills they're presented with endless opportunities to further their career and education. Plus, no child is ever turned away due to an inability to pay.

We also provide free and low-cost programming for players of all ages, including seniors. But we cannot do what we do without you. Help us continue to offer equitable, affordable programming to our community by donating to Tennis Memphis.
