

TENNIS MEMPHIS

"Building a Better Community, and Enhancing Lives Through Tennis & Education"

Junior Player Walk-On Policy

- Junior players (18 years old and younger) are allowed to use outdoor courts* to play with each other without a reservation at no charge. This is on a first come, first serve basis and the juniors must give up the court if/when a customer reserves the court.
- Players must be present to use walk-on court time. No reservations will be taken over the phone for junior walk-ons.
- If a junior wants to use a ball machine, they will pay the regular \$10/hr rate
- Any players above the age 18 using the court will be charged their half of the time at the regular court rate.
 - (Ex: Junior A asks to do a walk-on for 1 hour to hit with one of their parents. The parent will pay half of the court time.)
- This policy applies to all junior players, not just those enrolled in Tennis Memphis programming.
- *Junior walk-ons must use outdoor courts unless inclement weather. For winter months, the temperature must be below 40 degrees to use indoor courts.
